Dear members

We are pleased to inform you that the 2020 AGM of MAUK will be held on 22 November 2020 from 3 PM via the virtual platform ZOOM. In addition to the fact that we have to overcome the restrictions placed on us by the Pandemic, we did not want the current unpredictability prolonging the AGM as it will increase administrative workload in the future.

2019 was an excellent year of growth for MAUK. In addition to our usual cultural and social activities, we were able to embark on many charitable projects.

As part of MAUK commitment to preserve and promote the traditional and ritual arts of Kerala, last year, we collaborated with the renowned local and international artist to conduct many performances and workshops. Another significant achievement of 2019 was that we were able to fund our Elders Services activities through individual and business sponsorships.

Further to successfully conducting our regular activities, we are also continuing to work closely with the High Commission of India to advice, help and support our community members.

As part of our Charitable Endeavours in Kerala, we have built three water plants in Allapuzha district, ensuring over 500 families have clean drinking water. In 2019, we were also able to commence work on building a home for a low-income family in Thiruvananthapuram.

While we prepare for this AGM, we are also at the forefront of providing exemplary services to lessen the burden of those affected by COVID-19 and have been setting standards for community organisations to follow when faced with unprecedented challenges.

I take this opportunity to thank all our members, volunteers and sponsors who have assisted and guided in 2019 and request for continued support.

On behalf of the director board, I am happy to submit the 2019 annual report and invite you to participate in this first virtual AGM of MAUK.

Yours truly,

Anilkumar Edavana  
Secretary
